Fake University
Completely made up text that looks like latin, because latin is so cool

This is the first slide

This is the second slide

A bit more information about this

Itemize is fun

the equation $\int_x^y \frac{a}{b}$ is cool

- First thing
- Second thing

$$e^{-i\pi} = 1 \tag{1}$$

Itemize is fun

This **text** is so interesting *OMG*,
 $e^{-i\pi} = 1$ you have to check this
points:

- Reason 1
- Reason 2
- Reason 3

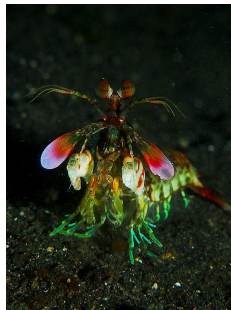

Figure : Mantis shrimp is cool¹⁷.
